

## Savings Accounts

### Standard Savings Account

This account features competitive rates and is great for first-time savers and those with low account balances. This account includes an interest rate of 0.01% and only has a monthly fee of \$4.00. Since this account was created for low account balances, the minimum opening balance is only \$25. One of the best parts of this great account is that it's FDIC insured.

### Goal Savings Account

This account is ideal for savings goals. It includes automatic transfers from your U.S. Bank checking account and can also give you an easy way to save. It has an interest rate of 0.01% with no monthly maintenance fees. There's no minimum opening balance but there's a minimum automatic monthly transfer of \$25 from a U.S. Bank personal checking account, per statement cycle.

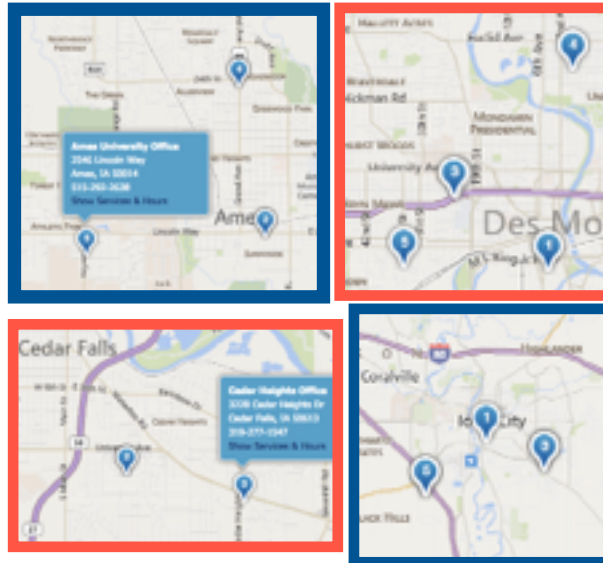

## Convenience

### Hours

Most banks close at 5pm but not all of ours. Some of our banks are open 24 hours every day of the week. If we aren't open, we usually close at 5pm. They can even be open on weekends. Most also include a drive-thru for fast access to money.

### Locations

There are over 3,000 different locations. There are currently five different locations around this area. These locations include Madrid, Ankeny, Des Moines, and two in Urbandale. We also have three different banks in Iowa City and five more around Cedar Falls and Waterloo.

# Checking Accounts

## Student Checking Account

This is a basic checking account with special features specifically for students. There is no interest rate, no fees or charges, and no restrictions or minimums. It's an ideal account for students getting ready for college.

## Loans

### Used Auto Loan

This auto loan is a great choice for students who need a car. You can apply online, get quick credit decisions, and get a complete used auto loan at a local branch near you.

### Student Credit Cards

We have many different types of credit cards for many different people. This specific U.S. Bank College Visa Card comes with many tools and services that can help you with smarter spending ideas and good credit. It lets you take control of your spending and helps you get the things you need now, while building up your credit for future expenses.

## Extra Services

### Online Banking

It's almost like you have your own personal branch. You are able to pay your bills, check deposits, send money, and make statements, all online!

### Mobile Banking

Now you have a personal bank in your pocket making it easier than ever to keep track of your finances. You can do everything on your phone that you can online, plus text banking!
